

VIRTUAL GROUP SUPPORTS

Intelife
Enabling independence

Intelife are now offering Virtual Group Supports to enable customers to interact with others at Intelife from the comfort of their own home. These Group Supports can help reduce feelings of isolation and promote good mental health, while allowing people to build confidence and relationships. All sessions are tailored to our customers and offer themes, activities and entertainment. Intelife skills trainers will be online throughout the sessions to provide guidance and support.

The Virtual Group Supports can be purchased through NDIS funding as per the current price guide. Intelife will provide full assistance to help customers set up.

EVENTS ON OFFER:

- Personal Grooming, Sing Along and Body Movement (PSB)
